REPORTS OF BOARDS AND COMMITTEES

REPORT OF MISSION BOARD.

The year has been characterized by extraordinary and profoundly significant political upheavals in many widely separated parts of the non-Christian world, followed by a general awakening of the nations. The great ideas of brotherhood, of justice, of liberty, of righteousness—the saving truths of our Lord—have begun to manifest their inevitable transforming and uplifting power. Non-Christian men are everywhere being swayed, more or less consciously, by the teachings and the Spirit of Jesus. New ambitions have been stirred, new wants created, new protests against oppression engendered. A new spirit is abroad and with mighty power it is overturning and recasting ancient institutions and deeply rooted customs.

The tumult and bloodshed which have attended these seethings and readjustments have been appalling, but a large-minded, altruistic spirit may discern the good that is to follow. While violence is no part of the program of Christianity and while the normal operation of the forces which it liberates would be peaceful, as our Divine Master and his Church stand for freedom and justice and righteousness, we realize that where oppression and injustice and unrighteousness are entrenched, trouble is inevitable. These revulsions of reconstruction do not indicate that the Christian teaching is unwise nor that Christianity is in any way even remotely responsible for the trouble. We can but pray and believe that, in the Providence of God, a redeemed world will follow the chaos of present revolutions, that these newly awakened aspirations toward a hitherto repressed justice and liberty, shall usher in a better era when men's minds, liberated from iron bound traditions, shall find a saving freedom in the righteousness and life of Jesus Christ.

A most solemn responsibility rests upon the Christian Church and upon our missionaries abroad at such a time as this.

We need as never before, to a remarkable degree, a combination of wisdom, patience, fortitude, courage and firmness. He is a coward who abandons the work when the old walls begin to crumble and the air is filled with flying debris and clouds of dust. The people of God must not be frightened by the crush and tumult but with faith and determination push the cause undismayed. God has chosen to work through his people and we must respond to his call. The missionary enterprise at home and abroad stands for the purifying and regenerative influences of the world and it must be so sustained that it will be adequate to the colossal needs of the new era. Though the opposing forces are numerous and strong, and though we have to contend against men who "set themselves against the Lord and against His anointed," the Christianization of the nations is the most solemn and imperative necessity of this time of times.

Let us not as a Conference be longer wanting in doing our full duty to meet the urgent exigency. The problem of organizing the missionary work of the local church is at present the most pressing problem of the home base and the preacher is the most important factor in its solution. His best aids are a **Missionary Committee** and an **every member canvas** for a weekly offering. The pitifully small percentage of the church membership giving and the average gift per member to missions show how obsolete and inadequate are the old methods of finance and emphasize the need of the new plan. Your board earnestly recommends the inaugura-

tion of this simple and business like method of personal presentation as the best yet devised for a thorough effort to finance the benevolent work of the Church. Not only will it increase the offerings, but it will also intensify the spiritual life of the entire congregation.

We would call your attention to the Home Mission Week in November and urge its general observance. You are asked to appoint from your charge a representative to attend the Layman's Missionary Conference at the Southern Assembly Grounds, Lake Junaluska, near Waynesville, N. C., the latter part of June, 1913.

We request the appointment of G. C. Loch as Superintendent of the Boys' Hotel, Juvenile Court, Kansas City, and the appointment of J. T. Pritchett as Conference Missionary Secretary.

We have united with the Missouri and St. Louis Conferences in the establishment and support of a Secretarial Pastorate at the church at Columbia, Missouri, the seat of our State University. All our appropriations are made to the preacher in charge and must not be pro rated with any Presiding Elder or Superintendent. The payment of all appropriations is contingent on the collection of sufficient funds and in case of deficit must be paid pro rata.

The Board requires from the preachers on charges receiving aid from it, a full report each quarter before the quarterly drafts are allowed. The treasurer is ordered that he shall not pay the last draft to any charge till the claim on the charge for Home and Conference Missions shall have been paid in full.

REPORT OF BOARD OF EDUCATION.

Every year lends new meaning to the term "Christian Education." More and more we understand that the religious life is an educative process, the unfolding of the life powers, until we come to the fullness of the measure of a man in Christ Jesus. This new significance lends added strength to the obligation for affording for every one the opportunity to come under the direction of those Christian influences that make possible this larger life. Whatever may be the urgency of other calls upon the church for generous co-operation and support, none of them can be more urgent, nor fuller of promise, than the call that comes from our institutions of learning.

The report of the General Board was before us and many indications of progress and development were noted. We congratulate them heartily upon their success in the past and pledge them our support and endorsement in their plans for greater work in the future.

Correspondence School at Nashville, under the able direction of Rev. J. L. Cunningham, is doing splendid work. The Board of Education, in order to encourage the undergraduates to take their Conference course through the Correspondence School, have agreed to pay one-half of the tuition of all applicants for such aid, provided the entire year's work is completed.

Central College. The report of the President and Board of Curators of Central College was presented by President William A. Webb. The college is in a healthy, prosperous condition, doing Class A work in every department. The time has come, however, in the judgment of the Board of Curators, when the college must have an adequate endowment. Plans are now being matured for the securing of such endowment. We pledge them our sympathy and support. We recommend the appointment of Judge John A. Rich and Dr. William A. Webb as curators for term of three years.

Scarritt-Morrisville College. President Louis C. Perry of Scarritt-Mor-

risville College, represented the work being done now. His report shows valuable improvements in every line of work, and we congratulate him upon his success, and the Board of Curators upon their good fortune in securing such an eminently successful man for the work. We recommend that Louis C. Perry be appointed President and J. D. Rankin, O. T. Hinson and J. A. Peeler be appointed professors in the college, and F. N. Looney, agent, and that O. C. Jackson, W. P. Buckner, C. C. Woods, Bert S. Lee and Marion C. Early be elected curators for a term of three years.

Central College for Women. Already the influence of Dr. Z. N. Williams is being felt in the management of Central College for Women. He brings to the school benefits of thorough training and equipment, and wide experience as a successful college man. Central College for Women has a great past, but it has a greater future. The Board of Curators deem now the acceptable time to secure at least \$100,000 endowment for the institution. Rev. F. E. Gordon has been selected as Field Secretary, and we respectfully request the Bishop to appoint him to this position. We recommend the election of E. M. Taubman as curator for a term of three years.

The Preachers' Institute. The Preachers' Institute at Fayette is making a large contribution to the lives of many of our preachers. Not less than one hundred men availed themselves of the opportunities presented there, and the outlook for still greater usefulness is very bright. We recommend an assessment of \$400 for the Preachers' Institute and the correspondence work of undergraduates.

The Board of Education, mindful of the many claims and calls upon the preachers' time and ability, hesitate to lay further burden upon them. This year only 66 per cent of the educational assessment has been paid. We respectfully suggest to the preachers that a failure to raise educational assessment in full is striking the activities of the church in a vital place.

We recommend that the three colleges receive the classification requested by their respective boards.

We recommend the assessments for the ensuing year:

General Board	\$2,195
Scarritt-Morrisville College.....	1,750
Central College at Fayette.....	1,250
Central College for Women.....	300
Preachers' Institute and Correspondence School.....	400
Students' Aid Fund—Central College, Fayette.....	100
Scarritt-Morrisville ..	100
<hr/>	
Total	\$6,095

We recommend the following apportionments for the ensuing year:

Kansas City District.....	\$1,289
Nevada District	1,063
Marshall District	1,085
Lexington District	935
Springfield District	830
Joplin District	810

STATISTICAL REPORT.

Total	\$6,095
Value of property.....	\$496,000

Teachers	56
Students ..	312

We recommend that the following brethren be appointed students, as follows: Ernest Clay Webb, Divinity School, Yale.

We recommend that John F. Caskey be elected Conference Secretary of Education.

Respectfully submitted,

JOHN F. CASKEY, Chairman Board.

F. E. GORDON, Secretary.

REPORT OF SCARRITT-MORRISVILLE COLLEGE.

Dear Fathers and Brethren: We hereby submit a short report of the work of the College. We are pleased to report that in general our Conference College seems to be in good condition. Last year our enrollment in the College proper was ninety-two, the Academy seventy-two, the School of Music one hundred and eight, and the School of Expression thirty, including fourteen young ministers. At the opening this year, we have already matriculated one hundred students in the regular College department and sixty in the Academy, with full matriculation in the Music and Expression departments, the exact number not yet having been ascertained. We consider this good, bearing in mind that we require sixteen units for full admission to the Freshman class, which is as high as any college in the West and higher than most church colleges. We are laying great stress on ministerial education, having added a Theological department, and have secured one man who agrees to go half with any other one or dozen men in giving annually one or a dozen \$150 ministerial scholarships.

Our faculty this year numbers eighteen. The heads of the seven departments, all having had special university training, devote their time to strictly college work. Our salary list for the year runs over \$13,000.

We have made some general improvements on the College plant since last year, having installed a power house, furnishing light not only for ourselves, but for the village, and a cold storage plant which enables us to economize by killing and storing our own meat. Also have built a young men's clubhouse in the yard of the President's home. This building is modernly furnished throughout and will accommodate sixteen. We have a central dining hall in which we are now serving meals to one hundred and fifteen members of the faculty and student body. We have just about succeeded in raising the \$100,000 subscription to our endowment. We expect to announce the completion before the close of the Conference. It is raised on the installment plan, the interest being added to the principal until it is accumulated, which will take twelve years. We can probably cash this out at something like \$75,000 and wish to make a strenuous effort this year to raise the other \$25,000 cash. So we urgently request that you give us an appropriation of \$3,000 this year. This would not be necessary if we could use the interest on our \$100,000 endowment.

Second, we request that Louis C. Perry, James D. Rankin, J. A. Peeler, O. I. Hinson and F. N. Looney, members of your body, be appointed to their respective places in the faculty of the College and that you formally approve of our application to the General Board of Education for college classification.

Respectfully submitted,

SIM BEAM, President, Board of Curators.

J. E. McDONALD, Secretary.

COMMITTEE ON BOOKS AND PERIODICALS.

To the Bishop and Members of the Southwest Missouri Conference:

Dear Fathers and Brethren: We, your Committee on Books and Periodicals, respectfully submit the following report:

A report of the management of our Publishing House at Nashville, of the Branch House at Dallas, and of the recent establishment of another Branch House at Richmond, of the publication and circulation of our literature was before your committee. In the main there is in this report a note of encouraging improvement and enlargement, although, for the first time in its history, there was a loss in the year's business of the Dallas Branch, all the information furnished us indicates that said loss is only temporary, having been caused "by a combination of unfavorable conditions." The Nashville House reports a substantial gain.

We greet with pleasure the improvement in the matter and especially in the form of the Epworth Era. Its change from a weekly to a bright, readable, monthly magazine of wholesome literature combined with a guide and real helper to them daily in their private devotions and Sunday services of the League, promises larger helpfulness to our young people, while the new form commends itself to their sense of modernness. Its management is earnestly appealing for enlarged circulation. Brethren, let us help. To do so means the wiping out of loss in the cost of production, with gain in culture and piety.

Our "Review" and "Christian Advocate" are proving their worth. The one has yielded a gain, the other has met the cost of production.

We would urge upon our pastors the importance of seeing to it, that our own literature is used in all of our Sunday Schools, as it is equal to the best that is published. We acknowledge with thanks the receipt of the Sunday School Editor and congratulate the church upon the splendid service rendered and especially upon the increase in the use of the graded lessons.

We congratulate the Board of Missions upon the success of the Missionary Voice in meeting the needs of the work of the women of the church.

We would encourage the circulation of the St. Louis Christian Advocate and especially urge the pastors to take advantage of the editor's liberal offer to place the Advocate in new homes at half price. While this committee is not in position to assume any financial responsibility, we would yet be glad to see the Senior Editor's letters of travel published in book form,

We greatly appreciate the book exhibits furnished by the Publishing House at Nashville, the Dallas Branch of the Publishing House, and the St. Louis Christian Advocate. Their displays and their sales indicate that our preachers realize the necessity of providing themselves with the best text books and periodicals with a view to ministering to the men of our time.

HOYT M. DOBBS, Chairman.

S. O. BORLAND, Secretary.

REPORT OF EPWORTH LEAGUE BOARD.

To the Bishop and members of the Southwest Missouri Conference:

Dear Fathers and Brethren: At the time of the organization of the Epworth League it was thought that a long-felt need was about to be provided for. That the League has not more fully justified this confidence, must be deeply deplored by all thoughtful and conscientious people of our church. We rejoice at the measure of success that it has had, and with faith in God, we pledge our best efforts to its greater success for the future.

We endorse the administration of the General Secretary and his assistant and the forward movement in the selection of a competent person to have sole charge of the Junior League work in our connection. We are gratified at the change in the make-up of the Epworth Era, believing that it will now enter upon a career of greater usefulness than before, and urge all our pastors and Epworth Leaguers to take advantage of the offer of the publishing agents to place it in the hands of all League members at the exceedingly low price of fifty cents per annum in clubs of ten or more to one address.

We most heartily approve of the State Epworth League Conference held annually at Pertle Springs, and your board holds itself in readiness to contribute as far as possible to its success.

We endorse the following recommendation of the General Board:

Finance—The income from the ten-cent assessment still falls short of affording the necessary equipment and support of the Central Office. That the League should annually contribute to the various causes of the Church more than one hundred thousand dollars and still be embarrassed by lack of means for carrying on its appointed work, is anomalous. The Board authorizes any chapter to substitute for the ten-cent assessment an offering to be made at the public service on Epworth League Day, half of which is to remain for Conference extension, and half to be sent the Central Office, instead of the ten cents per member formerly required, and urge our pastors, League presidents and presiding elders to endeavor to make this plan operative during the ensuing year.

We recommend the holding of a District League Conference in each Presiding Elder's district, whenever possible.

We endorse the suggestion of the General Board that a member of the Annual Conference Board be designated as Corresponding Secretary and recommend the continuance of T. H. Clayton in that office.

J. B. SWINNEY, President.

T. H. CLAYTON, Secretary.

CHURCH EXTENSION.

To the Bishop and members of the Southwest Missouri Conference:

We, your Board of Church Extension, wish to submit the following report:

During the thirty years the general work has been carried on, \$3,279,381 has been expended to help 8,394 churches, and \$40,547 to assist 2,177 parsonages. Thus the sum of \$3,679,928 has been used to give others the timely aid which enabled them to help themselves, and which made possible nearly half of our churches and a large number of our parsonages.

We rejoice to remind you that we are building on an average of more than one church each day. By your faithfulness and loyal help in the past we have been able to accomplish these great tasks. But the future is big with promise, and the opportunity is greater than ever.

In our own Conference twenty-six preachers are yet without a home and thirteen congregations without a house of worship, while other enterprises like the Washington City representative church are calling for the attention they deserve.

The Washington City enterprise received most enthusiastic attention when presented to the Conference and the amount asked for was obtained almost immediately, notwithstanding the continued drain of other collections. We hope this spirit will continue to move upon the Conference until a majestic building standing as a monument to the love and loyalty of

our people, boldly takes its place among the representative churches of the nation.

Will you hear with patience and remember a caution, a warning and a suggestion, relative to the insurance upon our property? A little insurance costs about as much as to insure for full value. Thus if the buildings are slightly protected and are burned or blown down this board is asked to furnish money to replace what need not have been lost at all. If the property is protected for about its full value, the premium is not greatly increased (because rates decrease as the per cent of the property insured increases) and this board will be relieved of calls each year to replace losses from fire or storm.

A strikingly interesting and progressive feature of our work, we hope you will not overlook, is the plan to build a Conference Loan Fund. The idea may be further applied to the district work. This is actually in operation in the Joplin District where the earnest and effective work of Brother Rickman is bearing fruit. Ten thousand dollars is the sum aimed at, part of which is already secured. This money is to be kept as a permanent loan fund for use in the district. REPORT OF THE SUNDAY SCHOOL BOARD.

To the Bishop and members of the Southwest Missouri Conference of the Methodist Episcopal Church, South:

Dear Fathers and Brethren: Your Board begs to repeat that the importance of the Sunday School cannot be easily over-estimated, or emphasized; indeed, we need to give this branch of our work more prominence. It yields the greatest returns of any field in the church. In fact it is the church in active service, and in the study of the work of God. It is the greatest recruiting force the church has. It has to do with the increase of

the membership of the church. The success of the Sunday School spells help for other departments of the activities in the church. Its claim upon the pastor is supreme; and we are grateful for the ever increasing interest of the aggressive pastors. They hold the key to the success of the movement.

Your Board heartily commends the work of the General Sunday School Board as being in line with and up to the standard of modern Sunday School efforts.

Especially do we call attention to the steady and gratifying increase in our Sunday School literature, which is unsurpassed any where. We commend the Adult Department, and urge the organization of Wesley Bible classes wherever practicable. We are glad beyond expression to have had with us Rev. C. D. Bulla, D. D., of this department, whose work is appreciated.

The Teacher Training department under the direction of Dr. H. M. Hamill and Mrs. Hamill is doing efficient work. We were able to secure these workers, also Mr. E. E. French, for two institutes, which were an inspiration to the cause where held.

Exhibit.

The splendid exhibit of Sunday School supplies brought to this Conference by Mr. Fitzgerald of the Supply Department convinces us that we need not go elsewhere for such supplies.

Junior Classes.

We are gratified to know that the General Board has provided for the organization and enrollment of Wesley Classes in the Intermediate and Junior Departments.

Loan Fund.

This Conference cannot afford to overlook the Birthday offerings for the establishment of a Sunday School Loan Fund. The Board of Church Extension will furnish free on application, convenient receptacles for these offerings.

Field Secretary.

We must agitate until we find the solution of the question of a Field Secretary for this Conference.

Institutes.

Because of the interest aroused by district institutes, this Conference cannot hesitate to urge upon the Presiding Elders the continuous use of this plan. Expert workers will be employed and paid by the Board and placed under the direction of the Presiding Elders.

It is recommended by this Conference that institutes be held for Sunday School workers in each pastoral charge as far as practicable. It is also recommended by this Conference that an effort be made in all our schools to observe Paragraphs 256 in Book of Discipline, where it is not practicable or desirable to do so; that an offering be taken and sent to the Treasurer to be treated as a Children's Day fund.

Programs and Literature.

Your Board continues to furnish literature to needy schools and supply all who request them with programs for Children's Day. About 5,500 copies were sent this year on 132 orders. The increase of 10 schools and of \$144.34 in Children's Day offerings is indeed gratifying.

MEMOIRS

Rev. William Stewart Woodard

William Stewart Woodard was born in Davidson County, Tennessee, March 30, 1828. He came with his parents to Missouri when but a youth. He was converted and united with the Methodist Episcopal Church, South, at the old Ebenezer camp ground in Greene County, Missouri, under the ministry of Rev. David Ross, in 1845, and was licensed to preach at the Shady Grove Meeting House in Polk County, April 6, 1850, and received on trial into the traveling connection by the St. Louis Conference at Independence, Mo., the same year. He was ordained deacon at Lexington, Mo., in 1852, and elder by Bishop Kavanaugh in 1854. He was married to Miss Eliza Bewley Spencer September 5, 1852. He served eighteen pastoral charges and traveled three different districts as presiding elder. He spent one year on the Council Grove District in Kansas, and served his church several years as Sunday School Agent and Conference Colporteur. He was placed on the superannuate list permanently in 1891, since which time he resided in different places until October 14, 1911, when he calmly fell asleep at his home in Snyder, Okla., surrounded by his affectionate wife and children and a host of friends.

Brother Woodard was a sound Methodist preacher. He had faith in the Blood of Christ, and he never failed to preach "Christ and Him Crucified." He was a painstaking workman, and his trumpet never gave an "uncertain sound." It can safely be said of him, he attended to all the details of duty in the life of a Methodist preacher. He had a fair English education, and for many years served his Conference as Assistant Secretary. He has given the church a valuable "History of Methodism in Missouri," which gives information almost impossible to find elsewhere.

At the sessions of his Conference he was always in his place giving attention to the business of the session. He was never found with pipe or cigar loitering on the outside. He loved to sing the praises of his Lord, and his tall figure made him conspicuous among his brethren. But his work is done and he has joined the Blood Washed Host that has gone before.

Servant of God, well done,

Rest from thy loved employ,

The battle's fought, the victory won,

Enter thy Master's joy.

THOMAS M. COBB,
JOSEPH KING,
L. L. PINNELL,
L. P. NORFLEET,

Mrs. Rader

Isabelle A. Rader was born near Morristown, Tenn., November 27, 1827, and died at Marshall, Mo., January 26, 1912. Her maiden name was McFarland. When 5 years of age her parents moved to Missouri. In 1843 she became the wife of Rev. Andrew M. Rader, who for many years was a faithful and efficient Methodist itinerate preacher. The children born of this marriage have done credit to their Godly parentage and training. Three sons became Methodist preachers and one daughter the wife of a preacher.

Sister Rader was converted and joined the Methodist Church in early life and for many years was faithful to her vows as a Christian woman. As daughter, sister, wife and mother, she was ever faithful and true. Her life was a benediction to all who came under her influence. She was truly a mother in Israel and the service of her Godly life abides. She went away in great peace and has joined her sainted husband in the better land, where she awaits the coming of her children and grandchildren.

TEMPERANCE

To the Members of the Southwest Missouri Conference:

We, your committee on Temperance, beg leave to submit the following report: Recognizing the liquor traffic as the greatest source of evil among us today, seeking to control the policies and the politics of the government, we rejoice in the growing sentiment among our people for such control of the traffic as will ultimately exterminate it. We rejoice in the great victory won over the liquor traffic at Fayette, Mo., the seat of two of our great colleges, and have every reason to believe it will be a permanent one.

Your committee rejoices in the record of twenty-nine victories in the thirty-four local option elections held in the state last year and one of the five wet victories set aside as illegal by the circuit court and the increased temperance sentiment in these counties and cities indicated by the fact that the dry majorities total over 5,000 more votes than four years ago.

We feel the great need at this time of the earnest effort on the part of the church to bring about the proper enforcement of the liquor laws, for this responsibility rests largely upon the Christian people, and we recognize the strong, hard fight that is being made in our state by the liquor element; therefore, it is imperative at this time that every one be found constantly at his post.

The persistent and organized effort of the liquor forces of the state to open the dram shops of the state on Sunday in all cities of 25,000 or over, is a menace to the church and the wellbeing of the entire citizenship of the State; and we ask that full publicity be given to our people, to the end that they may not be misled by the term "Home Rule," which, in this instance, only means "Home Rule" on the dram shop question.

The liquor traffic has been casting all the vote it controls for candidates favorable to its business and in many cases these votes have constituted a balance of power. Recognizing the advantage of this method of political effort we most earnestly urge that voters in our church be patriotic, free-born American citizens by supporting in the primaries and general elections the strongest, cleanest men who can be induced to run for legislative or law enforcement offices.

Recognizing the fact that it is the business of the church to furnish the leadership for the moral conquest of the world we must stand out in the very front of this terrible war against the greatest foe of humanity, the beverage liquor traffic. We are convinced that the church can not hope to win or retain the respect of the world unless it forces the war on to ultimate victory and we, therefore, plead that all Methodism in co-operation with other evangelical churches of the land go to the point of real sacrifice to drive back the common foe.

We recognize the Anti-Saloon League as an efficient arm of the church in this struggle with the organized liquor traffic, and hereby pledge it our support.

Under the management of the board of trustees elected by the various denominations of the state, we believe that the government should support the state in the enforcement of the law rather than hinder and embarrass. Our present interstate laws as applied to the liquor traffic are unjust, protecting the violators of the law and setting aside the will of the people. We, therefore, do most respectfully and earnestly urge the United States senators and representatives in congress from Missouri to support by vote and influence the passage of the Webb-Kenyon interstate liquor bill. We also urge the passage by the general assembly of Missouri at its next session the county unit and district local option bills. We recommend Dr. W. T. McClure

and C. C. Carson as trustees of the Missouri Anti-Saloon League for the ensuing year.

Recognizing the open saloon as the greatest obstacle in the way of the church and school, therefore, be it

Resolved, That we, the members of the Southwest Missouri Annual Conference, assembled at Springfield, Mo., pledge ourselves to do all in our power for its destruction.

W. G. BEASLEY, Chairman.

W. J. SNOW, Secretary.

The treasurer turned over to the Joint Board of Finance for the past year for Methodist Benevolent Association interest to the amount of \$880.46, and from the Preachers' Aid Society interest to the amount of \$198.97, making a total of \$1,079.43.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

Your Committee makes the following report:

We have examined the Journals of the Western, Joplin, Nevada, Kansas City, Lexington, Springfield and Marshall Districts.

The records of the Western, Lexington, Nevada, Springfield and

Marshall are well kept.

The Joplin record has part of the official roll at the beginning of the Minutes and part at the end.

The Kansas City record has the entire roll at the end of the minutes. We consider this greatly mars the beauty of these, otherwise they are well kept records. We advise to put the roll at the beginning of the minutes.

Respectfully,

J. W. OWEN.

J. R. HARGIS,

H. J. RAND.

THE AMERICAN BIBLE SOCIETY

Dear Brethren: The American Bible Society is our great ally in the foreign field. Without the work of translating and publishing the Word of God as done by this Society, our missionary efforts would be greatly hindered. In our homeland thousands of copies are distributed annually at a very nominal price.

This Conference paid in 1910.....\$463.79

This Conference paid in 1911..... 356.03

This Conference paid in 1912..... 266.05

Or only a little more than half of our offering for 1910. Because the work of translations, etc., undertaken by this Board is so very expensive, we must insist upon emphasis being placed upon this cause.

Respectfully submitted,

U. V. WYATT, Chairman.

W. P. OWEN, Secretary.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

We, the Committee on Sabbath Observance, recommend:

1. That the pastors observe carefully the following sentences: From the Report No. 4 of the Committee on Temperance and Other Moral and Social Questions, adopted by the last General Conference. First, That never before has humanity so much needed to devote one day in seven to rest and communion with God as in these days of absorption in material affairs, pre-occupation with the multiplied sources of worldly enjoyment and social unrest; and, at the same time, never has the temptation to obliterate the Lord's Day been so great.

2. That we, therefore, appreciate and commend the faithful effort of the Sunday League of America to secure in sentiment, in law, and in customs the proper observance of this day throughout our great nation.

3. That we render our endorsement of the League, and commend its purpose, plan and representatives to the cordial co-operation of all our people;

2. We call attention to the fact that the Sunday closing of post offices was brought about by the great Sunday League of America, which is seeking to interest all North, South and Central America, West Indies, Hawaiian Islands and Philippine Archipelago.

3. We recommend that the pastors preach once a year on Sabbath Observance.

J. B. SWINNEY, Chairman.

L. H. EAKES, Secretary.

RESOLUTION CONCERNING BENEVOLENT ASSOCIATIONS.

Whereas, during the year 1906 the Western Conference of the Methodist Episcopal Church, South, was consolidated and united with the Southwest Missouri Conference of that church; and the Preachers' Aid Society of the Western Conference aforesaid, a corporation created under the

auspices of said Western Conference to perform a like service relative to certain ministers and their families belonging to that Conference as the Methodist Benevolent Association, a corporation performs relative to certain ministers and their families belonging to the said Southwest Missouri Conference, and now no reason appears for continuing the activities of both these corporations by reason of the union of the two Conferences, as above noted; therefore be it

Resolved, That the said Preachers' Aid Society assign, transfer and deliver unto the said Methodist Benevolent Association all of the funds, securities, notes, accounts and properties and rights of every kind including its records, and that the said Methodist Benevolent Association accept, hold and use the same for like purposes, and for the same uses and trust that it holds other property and things of value as expressed in its Articles of Association.

Resolved further, that the action above recited become effective, and be carried out by the officers of the two corporations named, upon being approved by the said Southwest Missouri Conference.

ANTI-BOXING RESOLUTION.

The Southwest Missouri Conference of the Methodist Episcopal Church, South, assembled in Springfield, Missouri, desire to express their sympathy with the good people of Springfield in their efforts to suppress the brutal exhibitions in this city of prize fighting under the so-called boxing contests law, and we hereby petition Gov. H. S. Hadley to prohibit said exhibitions, in the interests of morality.
